BRIEF DESCRIPTION ON PROPOSED LOCATION OF BUTT BUCKET: _____

I understand that while the District is providing the butt bucket for my organization. I am accepting ownership of the bucket including the regular disposing of the collected butts and maintenance.

I agree to allow the District to utilize photos of my organization and/or butt bucket for appreciation and educational needs in our community.

The District reserves the right to not meet every request based on supply, available funds or placement of other containers. Each container provided by the District will have a small decal.

Please submit this request form to the Boone County Solid Waste Management District
