Preferred Name on Signage _____

Recognition signage will be installed near the adoption area by the City of Lebanon Street Department.

Adopt-a-Spot Agreement: *The expectation of the adoption group is to keep a minimum of ½ mile or four city block area free of litter within the right-of-way. Private property with your adopted area remains the responsibility of the property owner to maintain. Cleanup efforts should occur on a regular basis and during community cleanup events. Please use common sense and err on the side of caution. Familiarize yourself and all individuals involved in your group with cleanup expectations and potential harmful items they may encounter. If minors are being utilized during the cleanup efforts, they should always be supervised by adults. Always wear bright clothing and if cleaning in areas near streets and/or highways, please utilize safety vests. The Adopt-a-Spot program is sponsored by the campaign to make Lebanon - the Cleanest City in Indiana and the City of Lebanon, but all responsibility is held with the adoptee(s). The Lebanon – the Cleanest City in Indiana and all partnering groups are held harmless.*
